

POWERPALLET FX44

POWERHANDLING

SMARTER. SMALLER. STRONGER.

POWERPALLET FX44

PowerPallet FX44: Engineered for Excellence

Experience 5x more power with the PowerPallet FX44. Its high-performance battery offers greater runtime and longer operational hours, while handling larger loads with ease. Designed for comfort, the ergonomic design reduces strain, boosting efficiency. Perfect for logistics, retail, or warehouse management, the FX44 delivers unmatched performance and reliability to optimize your workflow.

Fully Electric Excellence

Smooth, reliable operation with zero emissions.

Nonstop Power

48V lithium-ion battery up to 4 hours of continuous use with fast charging and easy swaps.

High Load Capacity

Effortlessly moves up to 4,400 lbs (2,000 kg), making light work of heavy loads.

Technical Features

Load Capacity: Up to 4,400 lbs (2,000 kg)

Battery: 48V lithium-ion, fast-charging with easy swaps.

Speed:

Unladen: 3.1 mph (5 km/h)

Laden: 2.5 mph (4 km/h)

Fork Sizes: Available in 27"x48" and 21.5"x45"

Gradeability: Handles up to 6% inclines.

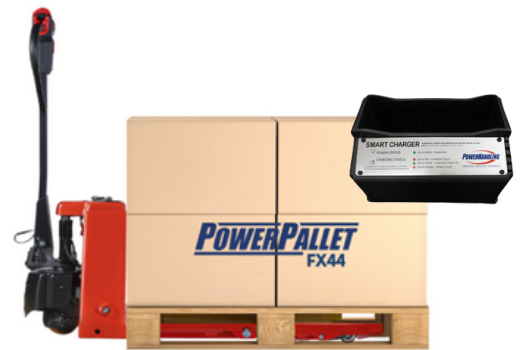

Safety Ergonomics: Emergency stop button, User PIN code entry usage (ONLY WITH CODE ENTRY CAN BE USED), and protective shell covering.

Display: LCD screen for battery, hour meter, and error codes.

Brakes: Electromagnetic for precise stopping power

Why choose us?

- Boost Productivity
- Enhance Worker Ergonomics
- Proven Results
- Innovative Approach

APPLICATIONS

- **Warehouses & Logistics Hubs:** Streamline operations, enhance productivity, and handle goods seamlessly.
- **Retail & Delivery Services:** Maneuver easily in trucks, tight spaces, and backroom operations.
- **Production Floors:** Tackle demanding workflows with unmatched reliability and ease.
